To whom it may concern

International Trading Group

Dear sirs,

On behalf of Projetechn Construction Management and Services Ltd, I can confirm that we have worked with International Trading Group for the last seven years. I have also known Mark personally and done business with him for over twenty years.

We have always found their service to be professional, efficient and reliable and have no hesitation in offering our recommendation.

Should you require further information on this please do not hesitate to contact me.

Yours faithfully
